

EDUCATION

- 2015 - 2019 **Bachelor of Science, Honors in Computing Science**
University of Alberta, Edmonton, Alberta, Canada
- 2014 - 2015 **Bachelor of Engineering, Automation Engineering**
Chongqing University of Posts and Telecommunications, Chongqing, China

HONORS AND AWARDS

- 2015 A University of Alberta China Transfer Award
- 2016 - 2018 Dean's Honor Roll
- 2018 The Amdahl Academic Achievement Scholarship in Computing Science
- 2019 The Dean's Silver Medal in Science

RESEARCH EXPERIENCE

Feb. 2018 - Jul. 2018

Research Assistant

Department of Computing Science, University of Alberta

Supervisor: Prof. Omid Ardakanian

Project: The Data Analytics Built Environment

- Build backend server for collecting sensor Data and design Metadata
- Build sensor drivers

Sept. 2018 -

Research Assistant

Department of Computing Science, University of Alberta

Supervisor: Prof. Omid Ardakanian

Project: Data Analysis of PCL Inc. Buildings

- Clean and process the sensor data & insert data into a built server
- Improve the algorithms created by researchers & integrate them into Python Package

INTEREST AREA

Internet of Things, Data Analysis, Database
